

Duke Energy Line Card

“To make electric power transmission, fiber, and distribution systems safer, more reliable, and more efficient. By applying our technical knowledge, experience, and relationships, we strive to improve the working experience for our customers and principals.”

American Polywater Corporation

*Pulling lubricants, cable cleaners, duct foam sealant, transformer leak repair, wood-pole repair and mechanical seals **Carolinas and Florida***

BMK Corporation

*Polecrete– pole setting foam. Pad mount stabilizer **All Regions***

Bone Safety Signs

*Roll –up safety signs & stands, aluminum composite (ACM) signs, cones, concrete sealers and repair products **All Regions***

Buckingham Manufacturing Company, Inc.

*Climbing and fall protection equipment and tools **Carolinas only***

Cleveland/Price, Inc.

*Substation switches and motor operators 7.2 to 500kV, transmission switches and automation controllers, distribution motor operators. Transmission and distribution sensors **All Regions***

Current - GE Lighting Solutions

*LED area, flood, indoor and roadway lighting systems. Light pole and lighting controls **Carolinas only***

Earth Contact Products (ECP Utility)

*Transmission & distribution anchors, power installed, square bar, bust and no wrench anchors, light pole foundations and concept measurement torque monitors **All Regions***

Estex Manufacturing Company, Inc.

*Canvas and vinyl bags for tools and equipment, aerial basket tool holders, bucket covers, rigid ‘hard body’ bags, face coverings and safety vests **Carolinas only***

Hastings Fiber Glass Products, Inc.

*Hot line tools and equipment, grounds, tele-poles, and testing equipment **Carolinas only***

Huskie Tools, Inc.

*Hydraulic, battery and manual compression cutting tools and compression dies **Carolinas and Midwest***

Ijjin Electric

*Large power transformers, MV and HV underground cable **All Regions***

Incab

Incab

OPGW, ADSS, flat drop, fire rated, and other specialty fiber optic cables and control cables **All Regions**

Jennings Anodes

Magnesium, zinc, and aluminum cathodic protection anodes **All Regions**

Krenz & Company, Inc.

Transformer cooling fans and accessories **Carolinas only**

Meiden America Switchgear

Dead tank 38kV, 72kV, and 145kV Vacuum circuit breakers and spare parts **All Regions**

Meyer Steel Structures

MEYER custom design & light duty transmission tubular steel poles, and round distribution poles. Pre-stressed static-cast and spun concrete structures. Lattice tower steel, tower poles, quick pier/helical foundations, and engineered substation structures **Carolinas only**

Power Design, Inc.

Fiberglass primary sectionalizing cabinets, fuse and switching enclosures, substation control buildings, primary metering cabinets, and battery enclosures **All Regions**

Powerline Hardware

Distribution hardware, hot line clamps, wedge clamps, automatic splices, HV steel pins, porcelain and silicone cut outs, ground rods, porcelain insulators, dead-end insulators, porcelain suspension insulators and spool insulators *Minority Owned **All Regions**

Preformed Line Products Company, Inc.

Transmission, distribution, and fiber optic products for support, protection, guying and dead-ending. Drone inspection services and substation connectors **Carolinas only**

Sherman and Reilly, Inc.

Overhead stringing and underground cable pulling equipment for transmission and distribution line construction. Rope, slings, and rope tension meters **All Regions**

Wilson Iron Works, Inc.

Custom metalwork, substation steel and aluminum fabrications. Steel transmission & distribution crossarms, arrester, cutout brackets, crossbraces and hardware. **All Regions**

Youngstown Gloves

Performance work gloves, liners, and rubber glove protectors **Carolinas only**
