

## South Carolina Line Card

### American Polywater Corporation

*Pulling lubricants, cable cleaners, duct foam sealant, and transformer leak repair, Wood-pole repair; Mechanical seals*

### BMK Corporation

*Polecrete– pole setting foam. Padmount stabilizer*

### Bone Safety Signs

*Roll –up safety signs & stands; Aluminum Composite(ACM) signs; Concrete Sealers & Repair Products*

### Buckingham Manufacturing Company, Inc.

*Climbing and Fall Protection Equipment and Tools*

### Cleveland/Price, Inc.

*Substation Switches and motor operators 7.2 to 500kV Distribution; Transmission Switches and Automation controllers; Distribution Motor operators; Transmission and distribution line sensors*

### Current - GE Lighting Solutions

*LED Area, Flood, Indoor, Roadway lighting systems; Light poles; Lighting Controls*

### Earth Contact Products (ECP Utility)

*Transmission & distribution anchors. Power installed, square bar, bust and no wrench anchors; light pole foundations. Concept Measurement Torque monitors*

### Estex Manufacturing Company, Inc.

*Canvas and vinyl bags for tools/equipment; aerial basket tool holders; bucket covers, rigid 'hard body' bags, face coverings and safety vests*

### Hastings Fiber Glass Products, Inc.

*Hot line tools and equipment, grounds, tele-poles, testing equipment*

HOWARD INDUSTRIES, INC.

### Howard Industries, Inc.

*Distribution transformers, small and medium power substation transformers, network transformers, step-voltage regulators, pad-mounted junction enclosures, oil-filled junction cabinets, and transformer components.*

### Huskie Tools, Inc.

*Hydraulic, Battery, and Manual Compression and Cutting Tools; Utility Pole Pullers, Material handling equipment for poles & transformers, ground rod drivers and wire reels; Compression Dies*

Electric

### Ijlin Electric

*Large power transformers, MV and HV underground cable*

Incab

### Incab

*OPGW, ADSS, Flat Drop, Fire Rated, and other Specialty Fiber Optic Cables and Control Cable*

**Jennings Anodes**

*Magnesium, Zinc, and Aluminum Cathodic Protection Anodes*

**Krenz & Company, Inc.**

*Transformer Cooling Fans and Accessories*

**Meiden America Switchgear**

*Dead Tank 38kV, 72kV, and 145kV Vacuum Circuit Breakers and spare parts*

**Meyer Steel Structures**

*MEYER custom design & light duty transmission tubular steel poles, round distribution poles. Pre-stressed static-cast concrete structures. Lattice Tower Steel, Tower poles, QuickPier/Helical foundations, and engineered substation structures*

**Power Design, Inc.**

*Fiberglass primary sectionalizing cabinets; Fuse and switching enclosures; Substation control buildings; Primary Metering Cabinets; Battery Enclosures*

**Powerline Hardware \*Minority Owned**

*Distribution hardware, hot line clamps, wedge clamps, automatic splices, HV steel pins, Porcelain and silicone cut outs, ground rods, porcelain insulators, dead-end insulators, porcelain suspension insulators, spool insulators*

**Preformed Line Products Company, Inc.**

*Transmission, distribution, and fiber optic products for support, protection, guying and dead-ending, drone inspection services, Substation Connectors*

**Sherman and Reilly, Inc.**

*Overhead stringing and underground cable pulling equipment for transmission and distribution line construction; Rope and Slings. Piab dynamometers and rope tension meters*

**Wilson Iron Works, Inc.**

*Custom metalwork; Substation steel and aluminum fabrications. Steel transmission & distribution crossarms, arrester & cutout brackets, crossbraces, and hardware.*

**Youngstown Gloves**

*Performance Work Gloves, Liners, and Rubber Glove Protectors*
