

VA Line Card

“To make electric power transmission, fiber, and distribution systems safer, more reliable, and more efficient. By applying our technical knowledge, experience, and relationships, we strive to improve the working experience for our customers and principals.”

BMK Corporation

Polecrete– pole setting foam. Pad mount stabilizer

Bone Safety Signs

Roll –up safety signs & stands, aluminum composite (ACM) signs, cones, concrete sealers and repair products

Cleaveland/Price, Inc.

Substation switches and motor operators 7.2 to 500kV, transmission switches and automation controllers, distribution motor operators. Transmission and distribution sensors

Current - GE Lighting Solutions

LED area, flood, indoor and roadway lighting systems. Light pole and lighting controls

Earth Contact Products (ECP Utility)

Transmission & distribution anchors, power installed, square bar, bust and no wrench anchors, light pole foundations and concept measurement torque monitors

Estex Manufacturing Company, Inc.

Canvas and vinyl bags for tools and equipment, aerial basket tool holders, bucket covers, rigid ‘hard body’ bags, face coverings and safety vests

Hastings Fiber Glass Products, Inc.

Hot line tools and equipment, grounds, tele-poles, and testing equipment

Huskie Tools, Inc.

Hydraulic, battery and manual compression cutting tools and compression dies

Ijin Electric

Large power transformers, MV and HV underground cable

Incab

OPGW, ADSS, flat drop, fire rated, and other specialty fiber optic cables and control cables

Chris Rush
540-680-1494
Chris.Rush@utilityserviceagency.net
June 2023

Jennings Anodes

Magnesium, zinc, and aluminum cathodic protection anodes

Meiden America Switchgear

Dead tank 38kV, 72kV, and 145kV Vacuum circuit breakers and spare parts

Meyer Steel Structures

MEYER custom design & light duty transmission tubular steel poles, and round distribution poles. Pre-stressed static-cast and spun concrete structures. Lattice tower steel, tower poles, quick pier/helical foundations and engineered substation structures

Power Design, Inc.

Fiberglass primary sectionalizing cabinets, fuse and switching enclosures, substation control buildings, primary metering cabinets and battery enclosures

Powerline Hardware

*Distribution hardware, hot line clamps, wedge clamps, automatic splices, HV steel pins, porcelain and silicone cut outs, ground rods, porcelain insulators, dead-end insulators, porcelain suspension insulators and spool insulators *Minority Owned*

Sherman and Reilly, Inc.

Overhead stringing and underground cable pulling equipment for transmission and distribution line construction. Rope, slings, and rope tension meters

Wilson Iron Works, Inc.

Custom metalwork, substation steel and aluminum fabrications. Steel transmission & distribution crossarms, arrester, cutout brackets, crossbraces and hardware.

Youngstown Gloves

Performance work gloves, liners, and rubber glove protectors
